ASSISTANT COMMISSIONER FOR PATENTS
WASHINGTON, D.C. 20231

SIR:

In response to the Office Action dated April 9, 2003, please amend the above-identified application as follows:

IN THE CLAIMS

Please amend the claims as follows:

--1. (Twice Amended) A system for controlling operating information of a construction machine comprising:
operating information collection means at said construction machine for collecting operating information regarding operation of a construction machine;
a first receiving device provided external to said construction machine;
